A LOOK BACK AT THORPE FARM'S EVENTS

EASTER BUNNY

A huge thank you to everyone who came along to see the Easter Bunny! He's had an incredibly busy (and very tiring!) few days, but has had so much hopping fun meeting all the children and spreading Easter magic everywhere he goes. From big smiles to excited little waves, it's been such a joy to see so many special moments being made. What an egg-tra special weekend it's been – though we think the Easter Bunny might be ready for a little rest now!

EASTER TRAIL

A big thank you to everyone who has popped along for our Easter Trail – it's been so lovely to see so many smiling faces enjoying time on the farm. The sunshine has truly been on our side this Easter weekend, making it the perfect excuse to get outdoors, explore, and soak up the fresh air. From families wandering the trail to little ones excitedly taking part, there's been such a wonderful atmosphere across the site. We've really loved welcoming you all and hope you've enjoyed making some special Easter memories with us.

STEAK NIGHT

We hosted our Steak Night on Saturday 2nd May and were delighted to welcome both returning guests and new faces. Our chefs created a delicious and memorable evening, and it's no surprise that Steak Night continues to be such a big hit. Guests enjoyed choosing their steak, cooked exactly to their liking, served with a flavourful sauce, fresh salads, cold sides, and chips delivered straight to the table.

For our younger visitors, there was a choice of burger, chicken nuggets, or sausages, all served with tasty extras — making it a great experience for the whole family, from just £20 per person. If you missed this one, don't worry — we look forward to welcoming you to the next!

ANIMALS ON SITE

It's been wonderful to see the animals back out enjoying the fresh air again, and they've certainly been making the most of all the lovely visitors on site! From curious noses peeking over fences to excited little trots across the paddocks, there's been plenty of happy energy around.

With their new shed now in place, they've got a great space to relax as well as roam, and it's clear they've loved all the extra attention from friendly faces stopping by to say hello. These little moments really bring the farm to life again.
